GUEST PREFERENCES

Prepared for the Hartley party, 17 to 24 July 2027

EXAMPLE CHARTER CH-004 FOR JMS, NOT FOR GUESTS

CANTIERE DELLE MARCHE • 33.85 METRES • TEN GUESTS • FIVE CABINS

A NOTE FROM THE CREW

Before your charter

Thank you for choosing SABAI. The Captain and crew are looking forward to welcoming you on board.

To prepare for your stay, we would like to know a little about each guest: what you enjoy eating and drinking, how you like your cabin and how you would like to spend your days. The Chef will plan the menus around your tastes, the interior team will set up your cabins and the deck team will have the right water toys and kit ready.

The link on the last page is for you, as the main contact of the party. You answer a few questions for the whole party, then add each guest, children included, and fill in their answers yourself or send them their own link. Or forward the second PDF to your guests: its party link lets each guest add themselves.

Only each guest's name, whether they are an adult or under 18, and their allergies are required. Anything left blank, we will ask about on board.

We look forward to seeing you on board.
