

SABAI

Welcome aboard

GUEST PREFERENCES

Prepared for the Hartley party, 17 to 24 July 2027

EXAMPLE CHARTER CH-004 FOR JMS, NOT FOR GUESTS

CANTIERE DELLE MARCHE • 33.85 METRES • TWELVE GUESTS • FIVE CABINS

A NOTE FROM THE CREW

Before your charter

Thank you for choosing SABAI. The Captain and crew are looking forward to welcoming you on board.

To prepare for your stay, we would like to know a little about each guest: what you enjoy eating and drinking, how you like your cabin and how you would like to spend your days. The Chef will plan the menus around your tastes, the interior team will set up your cabins and the deck team will have the right water toys and kit ready.

The link to our guest preferences page is on the last page. Everyone in the party has the same link. Add your name to open your own page, then tell us your preferences. For a child, a parent or guardian can add them and answer for them.

Only each guest's name, whether they are an adult or under 18, and their allergies are required. Anything left blank, we will ask about on board.

We look forward to seeing you on board.

THE YACHT

About SABAI

SABAI is a 33.85-metre motor yacht built in 2019 by Cantiere delle Marche in Ancona, Italy, and designed inside and out by Nauta Yachts. She has a steel hull and an aluminium superstructure.

Inside

Five guest cabins for twelve guests: the master cabin on the main deck forward, and on the lower deck two VIP doubles aft and two twin cabins forward, each with a Pullman bed. Natural oak, linen and woven textures throughout.

On deck

The aft deck lounge opens onto the main salon. The upper deck has outdoor dining aft, and the sun deck has a jacuzzi, sunbeds, a bar and a barbecue. For exercise there is a rowing machine, an exercise bike and weights.

On the water

A tender, a jet ski, two Seabobs, two Fliteboard eFoils, four paddleboards and kayaks, with a wakeboard, waterskis, a towable and snorkelling kit. Scuba diving is arranged with a local dive centre, and there are four electric bikes for days ashore.
